Okay no worries, I understand – thought it was worth the ask at least ☺

They are on the DNR webpage here: <https://dnr.wisconsin.gov/topic/PFAS/Marinette.html>

Scroll down to Public Meetings and the videos are linked there. Let me know if you have any other questions!

Hi Maize:

Ex. 5 Deliberative Process (DP)

You mentioned yesterday that there are videos of townhall meetings. Can you point me to those. I am trying to study the site a little more in depth.

Thanks,

Hey Nuria,

I spoke with Judy about the PA petition. Would you be willing/available to have a call with DNR (myself, Judy, Christine Haag) and Cindy to make sure we are all on the same page about what the next steps in the process could look like if this PA is done.

My question: if it doesn't score would the next step (once PFAS becomes a haz sub) be redoing a PCS/PA? or would we start from SR? or be able to jump in with a SI?

We are hoping to meet tomorrow but are also available next week. If you are comfortable meeting with us and Cindy please let me know what your availability looks like.

Thank you!
